RCPD

Who We Are

The MSU Resource Center for Persons with Disabilities (RCPD) was created in the 1970s as MSU's response for equal access to a university education for all students.

We work with disabled students and employees to determine and implement accommodations and provide other supportive services and programming.

RCPD'S MISSION

Our Foundation: Access

Affiliate with disabled students and employees across campus

Collaborate with students to determine accommodations using the interactive process, and with employees and the Office of Employee Relations to make accommodation requests

Connect students and employees with resources and assistive technology

Ensure accommodations are implemented with fidelity

Strive to expand access and inclusivity across campus

Support the creation of disability community at MSU

HOW TO REGISTER

Registering for services through the RCPD is as easy as 1, 2, 3!

- 1.** Formally identify as a student or employee with a physical, sensory, cognitive or psychological disability via RCPD's MyProfile web portal.
- 2.** Once you've requested to register through MyProfile, an RCPD Access Specialist will contact you through your MSU email to request disability documentation.
- 3.** Once sufficient documentation is received, the specialist will contact you to set up a needs assessment to fully discuss accommodation requests. When this is complete, you will receive an Accommodation Letter that you share with your instructors.

WHAT OUR STUDENTS HAVE TO SAY

The students we work with have shared the following about their experiences with the MSU RCPD:

“I know what a difference it makes when there is someone who understands what you're going through and provides a helping hand.”

“The RCPD taught me and gave me resources to empower myself and ensure that I'm not alone.”

“Without the RCPD, I would not have the tools to be successful in college. The RCPD supports me and reminds me of my abilities and talents.”

“Because of the support I receive from the RCPD, I am able to accomplish a lot and put my best effort into everything I do.”

WE LOOK FORWARD TO MEETING YOU!
